

# Artisan Series

Featuring quality hand-crafted cases in solid hardwood or contemporary plastic laminate.

The ARTISAN SERIES, DRAPER's finest projection screens, are enclosed in solid hardwood cases with a variety of finishes to match virtually any decor—or in sleek, contemporary plastic laminate. Hardwood cases are available in your choice of rectilinear, radius, traditional or bevel styles; laminate cases are constructed in contemporary rectilinear style. Custom finishes are also available.

## Artisan/Series V

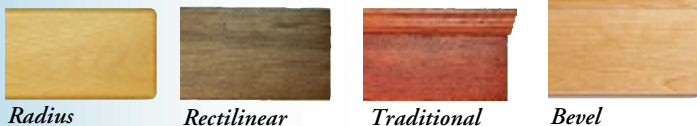

ARTISAN/SERIES V—Featuring DRAPER's TAB TENSIONING SYSTEM, for a perfectly flat viewing surface. Holds surface taut and wrinkle-free, eliminating edge curl. The perfectly flat viewing surface allows for pin-point accuracy in converging sophisticated video and data projectors. Projected image is framed by standard black masking borders. M1300 and M2500 projection surfaces available.

## Artisan/Series E

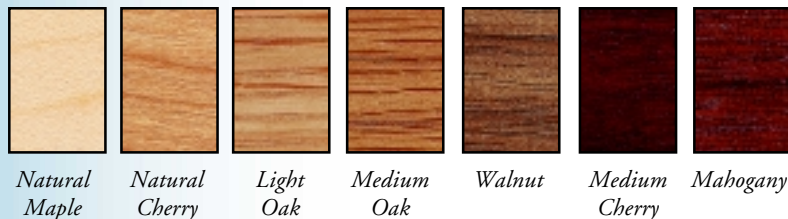

ARTISAN/SERIES E—Motor-in-roller operation, with a variety of controls available (see page 19). Viewing surfaces in fiberglass matt white, glass beaded, or PANAMAX. See below for standard sizes, styles and finishes—or request a quotation if your project requires a custom size or finish.

## Case Styles and Finishes for Series V and Series E (& Series M, page 21)

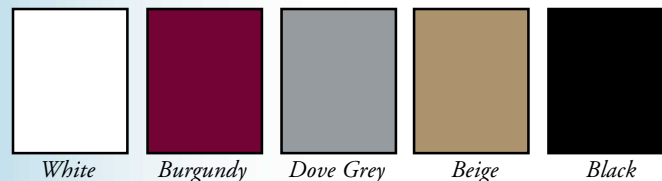

### Case Styles

### Solid Hardwoods

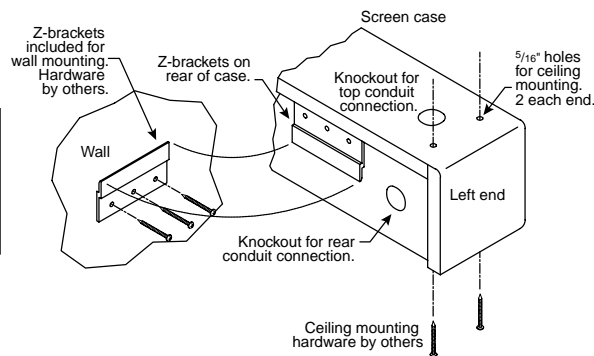

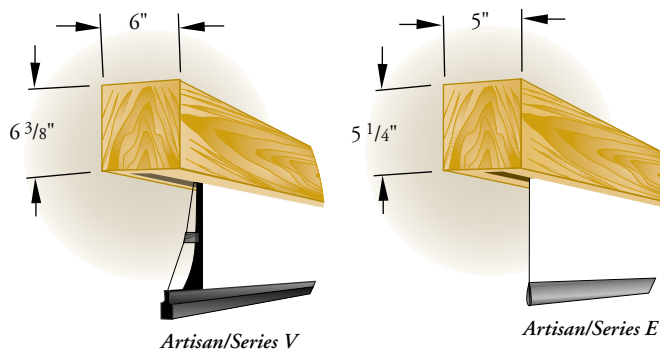

### Plastic Laminates (rectilinear case style only)

### Optional Equipment

- **Extra Drop**—Up to 8' total screen height, either white or black (White is standard for AV format; black for all other formats).
- **Black Masking Borders**—Borders are optional for SERIES E in AV format. They are standard for all SERIES V screens, and for SERIES E in all other formats.
- **Control Options**—Refer to page 19.
- **Colors and Finishes**—Shown above.

These colors match as closely as is possible on the printed page. Samples available for color matching. Custom finishes available.
