# Silhouette/Series M

*Designed for the 21st century.*

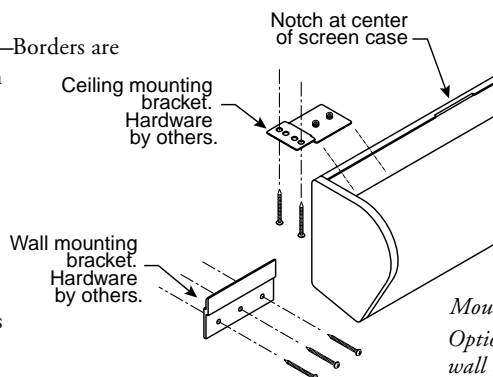

The SILHOUETTE's case and endcaps are made of gently radiused aluminum, with no exposed mounting fixtures or fasteners. Spring-roller operated, the screen retracts completely inside the case, presenting a strikingly modern appearance.

The SILHOUETTE's slender dimensions and self-concealing mounting fixtures make it equally attractive mounted to the wall or to the ceiling. Viewing surfaces available in fiberglass matt white, glass beaded, or F1500. The SILHOUETTE is available in all projection formats through 8' wide. There's no need to conceal this screen—it will complement other high tech equipment in your room. SILHOUETTE—the shape of the future!

## Optional Equipment

- **Extra Drop**—Up to 8' overall height, either white or black (White is standard in AV format; black for all other formats).
- **Black Masking Borders**—Borders are optional for SERIES M in AV format. They are standard for all other formats.
- **Screen/Case Options**—Offered in grey (standard), black, or white lightly textured finish. Dowel retracts completely inside case.
